V. ORGANIZATION HIGHLIGHTS

Please describe highlights or special accomplishments experienced by your organization this fiscal year.

Our organization experienced substantial change and growth in 2007. We held a special election in May of 2007 to establish a new board. Since establishing this new board, we have increased our participation by nearly 300%. While our numbers are still small in comparison to Atlanta's history, we are continuing to experience growth and an increased interest in our organization. This year, we reinstated our scholarship program by awarding scholarships to attendees of our annual Bison!Fest picnic in August. We are currently in the development stages of our quarterly lecture series for local alumni.

VI. ORGANIZATION CHALLENGES

Please describe any challenges your organization is currently facing or has faced during this fiscal year.

We are still working on increasing our numbers and consistent participation with our activities. Eventhough our turnout is increasing, we would like to see more of the same individuals come to the events. We are also working on developing programs and activities will be beneficial for alumni of all age ranges. Our budget continues to be lower than we would like; and we are currently considering various fundraising opportunities.

VII. TECHNICAL ASSISTANCE

Please indicate what type of technical assistance your organization would require to operate more efficiently.

We are currently working on a website for our group. We need a dedicated webmaster to volunteer his/her time to keep our information updated on the new website once it is established. We have been successful with the development of our email database and using this information to share information with the community.

VIII. HUAA PROGRAMS

Please list the HUAA programs your organization has participated in during this fiscal year and any previous years. (Brick Project, Training, Book Drives, etc.)

IX. FINANCIAL

Please indicate the amount of money, during the **current** fiscal year, contributed directly to a Howard University account from your organization (scholarships, book awards, donations, endowment funds, etc.)

\$500 scholarships to new students from Georgia.
