V. JUSTIFICATION FOR MEAN SCORE

Using the four-point rating scale where **4 = outstanding**, **3 = good**, **2 = satisfactory**, and **1 = unsatisfactory** assess the applicant’s overall performance. These assessments should take account, among other things, such factors as academics, artistic abilities, and service. The mean score should reveal a composite assessment of the applicant’s overall performance. The justification statement for the mean score should briefly summarize the applicant’s overall performance.
