

# 2008-2009 Verification Worksheet

## Federal Student Aid Programs

Your application was selected for review in a process called "Verification". In this process, your school will be comparing information from your application with signed copies of your and your parent(s)' 2007 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, your school may send corrections electronically.

Complete this verification form and submit it to the Office of Financial Aid as soon as possible so that your financial aid will not be delayed. The Office of Financial Aid is available to assist you.

**What you should do:**

1. Collect your and your parent(s)' financial documents (**signed** Federal income tax forms, W-2 forms, etc.).
2. Talk to a financial aid representative if you have questions about completing this worksheet.
3. Complete and sign the worksheet - you and at least one parent.
4. Take the completed worksheet, tax forms, and any other documents your school needs to the Office of Financial Aid.
5. A financial aid representative will compare information on the documents with the information you submitted on your application.
