Sometimes families have special circumstances which may require recalculating their financial aid eligibility based on their **estimated 2010** information, rather than the required **2009** information reported on the 2010-2011 Free Application for Federal Student Aid (FAFSA).

This form and required additional information must be submitted before we will consider your Special Circumstances Appeal request. All students requesting a Special Circumstances Appeal will be **selected for verification** and **submission of this appeal does not guarantee approval**. Please be advised that appeal requests, if approved, are granted on a one-time, case-by-case basis. **All appeal decisions are final. Approved appeals may not automatically qualify the student to receive additional financial aid.**

**Appeals will not be accepted for validation consideration after the deadline dates below:**

**Fall 2010 – April 30, 2010**                      **Spring 2011 – October 15, 2010**
