

APPLICATION FOR ADMISSION **SCHOOL YEAR 2012-2013**

**BEFORE PROCEEDING TO THE ATTACHED ADMISSIONS APPLICATION,
PLEASE READ THIS INSTRUCTION SHEET IN ITS ENTIRETY.**

The Howard University Middle School of Mathematics and Science, (MS)², is a top-tier District of Columbia public charter school committed to academic excellence and the overall success of our students, with a specific focus on mathematics and science. We are dedicated to ensuring that all children receive a quality education regardless of their individual life's circumstances.

(MS)² offers a rigorous academic program in all subject areas, designed to meet all students where they are and greatly accelerate them. Thus, a serious commitment to the learning process is required of all students who attend our school, and regular and systematic parent involvement is required of their parents.

Beginning Tuesday January 3rd, 2012 until Friday, April 13th, 2012, completed applications will be received Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m. **All application packages must be delivered in person (faxed documents are unacceptable) to the School, located at 405 Howard Place, NW, Washington, DC 20059. Incomplete application packages will not be considered.** Complete application packages include the following two items:

1. The completed application, signed by both the applicant and parent/legal guardian (must type or print legibly in blue or black ink).
2. The applicant's most recent report card.

Admissions into (MS)² are available primarily to D.C. residents. In the event that the number of applications received for any specific grade exceeds the number of available enrollment slots for that grade, a public enrollment lottery, by grade level, will be held to determine admission. Only those applications received during the public enrollment period (January 3rd to April 13th) will be included in the lottery. All applications received after this point will be immediately placed on (MS)²'s waiting list. However, if there are any grades that do not have any enrollment vacancies, an enrollment lottery will not be held for those grades. Applications for admission to those grades will be placed on the school's waiting list in the order that they are received.

Please contact (MS)²'s Enrollment Coordinator, Mr. Ricardo Perez, at 202.865.0282, or via email at ricardo.perez@universitymiddleschool.org, if you have any questions or require additional information.
