

Howard University Middle School of Mathematics and Science

(MS)²

ENROLLMENT APPLICATION
School Year 2010-2011

BEFORE PROCEEDING TO THE ATTACHED ENROLLMENT APPLICATION,
PLEASE READ THIS INSTRUCTION SHEET IN ITS ENTIRETY.

The Howard University Middle School of Mathematics and Science, (MS)², is a top-tier District of Columbia public charter school committed to academic excellence and the overall success of our students, with a specific focus on mathematics and science. We are dedicated to ensuring that all children receive a quality education regardless of their individual life's circumstances.

(MS)² offers an extremely rigorous academic program with accelerated instruction in all subject areas. Thus, a serious commitment to the learning process is required of all students who attend our school, and regular and systematic parent involvement is required of their parents.

Beginning Monday January 4th until Friday, April 9th, 2010, completed applications will be received Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m. **All application packages must be delivered in person (faxed documents are unacceptable) to the School, located at 405 Howard Place, NW. Incomplete application packages will not be considered.** Complete application packages include the following three items:

- The completed application, signed by both the applicant and parent/legal guardian (must type or print legibly in blue or black ink)
- The applicant's most recent report card; and
- A letter of recommendation on school letterhead from a teacher, administrator, or counselor from the applicant's current school.

Enrollment in (MS)² is available primarily to D.C. residents. In the event that the number of applications received exceeds the number of available enrollment slots declared by the school, a public enrollment lottery, by grade level, will be held to determine admission. Only those applications received during the public enrollment period (January 4th to April 9th) will be included in the lottery(s). All applications received after this point will be immediately placed on (MS)²'s waiting list.

Please contact (MS)²'s Enrollment Coordinator, Mrs. Frances Jones, at 202.865.7725, or via email at frances.jones@universitymiddleschool.org, if you have any questions or require additional information.
