### Scholarship Description

The US Student Fulbright Program is designed to give recent college/university graduates, graduate students, doctoral candidates, young professionals, and artists opportunities for personal and career development and international experience. The Fulbright Program offers opportunities for students, scholars, and professionals to undertake international graduate study, advanced research, university teaching, and teaching in elementary and secondary schools worldwide.

### Eligibility Requirements

Applicants must :

- Be U.S. citizens at the time of application. Permanent residents are not eligible.
- Hold a B.A. degree or the equivalent before the start of the grant.
  - Applicants who have not earned a B.A. degree or the equivalent, but who have extensive professional study and/or experience in fields in which they wish to pursue a project, may be considered.
  - In the creative and performing arts, four years of professional study and/or experience meets the basic eligibility requirement.
  - Applicants may hold a J.D. degree at the time of application, but not a doctorate.
  - M.D.s or medical students or the equivalent (e.g, D.D.S, O.D.) who wish to continue medical or hospital training or to obtain practical clinical experience should apply to IIE. However, M.D.s who have completed formal postgraduate training and propose attachment to a hospital or clinic for independent or collaborative research should apply to the Council for International Exchange of Scholars.
- Be in good health. Grantees will be required to submit a satisfactory Medical Certificate of Health from a physician.
- Have sufficient proficiency in the written and spoken language of the host country to communicate with the people and to carry out the proposed
